## **Local Attorneys Swim, Bike, and Run to Raise Funds for Cancer Research**

*Husband-and-wife athletes David and Carma Henson to compete in triathlon*

**ROCKY MOUNT, N.C., May 7, 2009**—Attorneys David and Carma Henson will compete in the White Lake Sprint Triathlon II on Sunday, May 10, to help raise funds and awareness for the Leukemia & Lymphoma Society, which is dedicated to funding blood cancer research, education, and patient services. The event is in White Lake, N.C., and entails a 750-meter swim, 14-mile bike ride, and a 5-kilometer run.

This is David Henson's second sprint triathlon for charity in less than a month. On April 4, he competed in the Tri Roanoke Valley Sprint Triathlon, where he raised \$500 for the Healthy Kids Collaborative.

### **The 2009 HensonFuerst Health Initiative**

This event is one of many community events in which the members of Rocky Mount-based law firm HensonFuerst regularly participate. Recently, the firm took part in the American Cancer Society's Relay for Life. Next month, several members of the firm will ride in the American Diabetes Association's Tour de Cure, which raises funds and awareness for diabetes. To recognize the importance of giving back to the community, the firm established the HensonFuerst Health Initiative, a comprehensive plan that encompasses all of the law firm's community and service efforts. ### **About the Leukemia & Lymphoma Society**

The Leukemia & Lymphoma Society is the world's largest voluntary health organization dedicated to funding blood cancer research, education, and patient services. The organization focuses on finding cures for leukemia, lymphoma, Hodgkin's disease, and myeloma, as well as improving the quality of life of patients and their families. To learn more, visit [www.leukemia-lymphoma.org](http://www.leukemia-lymphoma.org).

“Training and participating in this triathlon is a personal challenge, but more importantly, the event helps raise awareness and funds for an organization that is devoted to providing resources and support for those affected by cancer.”
